

CENTRE FOR POLICY DIALOGUE (CPD)

1. Type of Organisation : NGO
2. Mailing Address : H # 40 C, Rd. 11
Dhanmandi R/A
Dhaka # 1205
GPO Box# 2129
Dhaka # 1000
3. Telephone No. : 812 4770
- E-mail No. cpd@bdonline.com
- Web site www.cpd-bangladesh.org
4. Head of the Organisation (Name and Designation) : Professor Rehman Sobhan
Chairman
- Dr. Debapriya Bhattacharya
Executive Director
5. Objectives : The principal objectives guiding the work of the Centre for Policy Dialogue is to contribute towards people's awareness about policy issues affecting their lives and the future of their country, and to create a national climate for public discussion of important policy issues with a view to building up broad based support for such policies. In order to achieve its objective, CPD has set itself the task to attain the following goals:
- 1) To create a platform for public discussion of important national policy issues with a view to building up a broad based support for such policies.
 - 2) To organize regular policy dialogues by with participation from major stakeholders including policy makers, academics experts, civil society, representative from business community, NGOs and other civil society groups and stimulate a culture of dialogue and discussion on various important development issues.

- 3) To conduct in-depth research on critical development issues which could service the needs of an informed public debate. □
- 4) To raise policy awareness of young people in Bangladesh by conducting internship programme by creating opportunities to share their views, and by organising policy appreciation courses for them.
- 5) To raise policy awareness of young people in Bangladesh by conducting internship programme by creating opportunities to share their views, and by organising policy appreciation courses for them.
- 6) To provide policy inputs to the principal decision-makers on the basis of research and dialogue outputs. □
- 7) To enhance and stimulate endogenous capacity to design and implement domestic policy agendas with a view to generate a sense of ownership by encouraging research activities, through grants and fellowships.
- 8) To disseminate the revealed wisdom stemming from the dialogue discussion to a broad spectrum of civil society through active dissemination and networking activities.
- 9) To undertake in depth case studies including 'investigative journalism' in order to generate first hand information on state of governance in particular sectors of the economy and bring the results of such investigation to public notice and subject these to public scrutiny and accountability.
- 10) To generate information on public perception on issues of national, economic and social interest and on state of governance by conducting periodical public perception polls.
